**Kevin Musto Announces Candidacy for Senate District 14**

Kent County, Delaware – Lifelong Delawarean Kevin Musto aims to keep the State Senate District 14 in Democratic hands following the primary on September 13<sup>th</sup>.

The 14<sup>th</sup> District deserves diligent representation, and Musto is stepping up to give the people a strong voice while maintaining integrity in the office.

As a healthcare provider, Musto is proud to advocate in the Senate for improved patient care outcomes and easier access to patient’s medication. Patients face many healthcare challenges, but Musto is confident to take on the task. “Helping and advocating for underserved and vulnerable populations in our state is what sets me apart,” he says.

In addition to his experience in healthcare, Musto has owned a small business for 15 years, and serves on several state and national boards and with various organizations. He recognizes the struggles small business owners face and the challenges to keep their doors open, and looks forward to collaborating with fellow legislators in meaningful ways to benefit Delawareans.

Since Democratic State Senator Bruce Ennis has announced his retirement, Musto is determined to fulfill the position as a worthy, honest contender. Musto is thankful to the many supporters who have encouraged him to run for this seat. Musto’s motto is don’t settle for good, when great is achievable.

Musto earned his bachelor’s degree in pharmacy at Duquesne University in Pittsburgh Pennsylvania and has been practicing in Delaware for over thirty years. He learned his passion of caring for patients at Happy Harry’s, then established his own pharmacy, Atlantic Apothecary, with locations in Smyrna and Camden.
